## HOUSEKEEPING

Anyone entering SPC in non-business hours is asked to make a habit of "checking in" at the "In&Out Board" by the Nursery. This board allows others to know who is in the building and helps prevent "false alarms" (which cost the church money). As a general reminder you help your church family when you think of others and assist in the stewardship of the facility. Doors left open cost the church money and are a safety issue to all. When lights are left on utility bills inevitably increase as well. Help us turn out lights when you leave and close and lock doors.
